AT THE GOVERNMENT HOUSE AT OTTAWA

Thursday, the 5th day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

THE Minister of the Interior submits, under date 3rd October, 1911, that an application has been made by the Government of the Province of Alberta for the purchase, at \$1.00 an acre, for the purpose of establishing thereon a demonstration farm, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13, east of Athabasca Landing, being part of the subdivision of Section 34, Township 66, Range 22, west of the fourth meridian, containing an aggregate area of 483.80 acres, which lots are comprised in Block 15, in the Townsite of Athabasca Landing, and are shown bordered pink upon the plan attached thereto. It has been represented to the Minister that the Provincial authorities have adopted a policy of establishing a number of these farms at points most convenient to the farmers throughout the Province as a demonstration of what a reasonably intelligent farmer could do with ordinary capital. At

these demonstration farms it is also proposed to hold the summer shows, seed fairs and stock judging contests :

The Minister states that the lands applied for are at the disposal of the Department of the Interior, and he is of the opinion that it would be in the public interest to favorably entertain the application,—

The Minister, therefore, recommends that the said lots, containing an aggregate area of 483.80 acres, be sold to the Government of the Province of Alberta at the rate of \$1.00 an acre.

The Committee submit the same for approval.

**HIS ROYAL HIGHNESS THE GOVERNOR
 GENERAL IN COUNCIL.**

WHEREAS the Minister of the Interior states that, in addition to the lands reserved by Orders in Council of the 29th March, 1909, and the 25th April, 1912, for the purposes of the Hudson Bay Railway, it appears necessary in the public interest that a strip of land half a mile wide on each side of the land of the said railway from Le Pas to the western boundary of the land already set aside at Port Nelson, should be reserved,—

Therefore His Royal Highness the Governor General in Council, under the provisions of subsection "e" of section 76 of The Dominion Lands Act, is pleased to order that a strip of land half a mile in width on each side of the Hudson Bay Railway, as finally located, from Le Pas to the western boundary of the land already set aside at Port Nelson shall be and the same is hereby withdrawn from disposal, in order that the same or part thereof may be used in connection with the said railway.

Tuesday, the 17th day of December, 1912.

PRESENT :

**HIS ROYAL HIGHNESS THE GOVERNOR
 GENERAL IN COUNCIL.**

THE Minister of the Interior submits, under date 11th December, 1912, that Mr. J. P. Lewis obtained homestead entry for the south-west quarter of Section 6, Township 59, Range 10, west of the Fourth Meridian on the 4th February, 1907.

The Minister states that it appears that this homesteader deserted his wife, Emma J. Lewis, on the 20th September, 1908, and that since that time she has performed the required homestead duties ;

That after Mrs. Lewis had been deserted for a period of three years her husband's entry was cancelled and she was permitted to make entry for this land on the 18th June, 1912 ;

That Mrs. Lewis has been granted a certificate of naturalization as a British subject ;

That Mrs. Lewis has now made application for patent, but it appears that there is no provision in The Dominion Lands Act covering cases of this kind, under which she could obtain patent until she had held entry for the land for three years from the date of entry.

The Minister, therefore, recommends that authority be given, under the provisions of subsection "K" of section seventy-six of The Dominion Lands Act to enable patent to be issued at once.

The Committee submit the same for approval.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 5e jour d'octobre 1911.

PRÉSENT :

SON EXCELLENCE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 3 octobre 1911, que le gouvernement de la province d'Alberta a demandé d'acheter au prix de \$1 l'acre, dans le but d'y établir une station de démonstration agricole, les lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 et 13, à l'est d'Athabaska-Landing, soit partie de la subdivision de la sec-

tion 34, township 66, rang 22, à l'ouest du 4e méridien, couvrant une superficie totale de 483.80 acres, les dits lots étant compris dans le bloc 15 de l'emplacement de ville d'Athabaska-Landing et bordés en rouge sur le plan ci-annexé. Il a été représenté au Ministre que les autorités provinciales ont décidé d'établir dans la province un certain nombre de ces stations aux endroits qui conviennent le mieux aux cultivateurs, pour démontrer ce qu'un cultivateur d'intelligence commune peut faire avec un capital ordinaire. L'intention est aussi de faire à ces stations de démonstration les expositions d'été, les expositions de graines de semence et les concours d'appréciation du bétail;

Le Ministre ajoute que le ministère de l'Intérieur peut disposer des terres demandées et qu'il est d'avis qu'il serait de l'intérêt public d'accorder cette demande,—

Par conséquent, le Ministre recommande que les dits lots, couvrant une superficie totale de 483.80 acres, soient vendus au gouvernement de la province d'Alberta au prix de \$1 l'acre.

Le comité soumet cette recommandation pour approbation.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

ATTENDU que par un arrêté en conseil du 20 décembre 1911, quatre acres de terre compris dans le quart sud-ouest de la section 17, township 28, rang 15, à l'ouest du méridien principal, ont été mis en réserve et affectés aux fins d'un cimetière à Magnet, dans la province de Manitoba, et que la concession aux syndics dûment nommés en a été autorisée pour les fins susdites;

Et attendu qu'il a depuis été constaté que l'article 35 du chapitre 17 de la loi dite "Cemeteries Incorporation Act," Statuts révisés du Manitoba, 1902, en vertu duquel ces syndics ont été nommés, prescrit aussi que des successeurs à ces syndics seront nommés de la manière spécifiée dans l'acte de transport,—

Par conséquent, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter que l'arrêté en conseil du 20 décembre 1911 soit par ces présentes modifié de manière à permettre la nomination de successeurs aux dits syndics par dix ou plus des habitants résidant dans le voisinage du dit terrain, à une assemblée dûment convoquée.

LE Ministre de l'Intérieur représente, le 16 décembre 1912, que M. Pierre Neass a demandé la concession gratuite du quart sud-est de la section 2, township 72, rang 8, à l'ouest du 6e méridien, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

Le Ministre ajoute que la preuve soumise démontre que le requérant occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Le Ministre recommande qu'en vertu des dispositions du paragraphe (c) de l'article 76 de la Loi des terres fédérales, il soit autorisé à accorder à M. Neass la concession gratuite du quart sud-est de la section 2, township 72, rang 8, à l'ouest du 6e méridien.

Major a demandé la concession gratuite du lot n° 13, dans l'établissement du Petit Lac des Esclaves, province d'Alberta, basant sa demande sur le fait qu'il occupait ce terrain à la date de l'extinction du titre des Indiens.

La preuve soumise démontrant que le requérant occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899, le Ministre, en vertu des dispositions du paragraphe (c) de l'article 76 de la loi des terres fédérales, demande l'autorisation de concéder gratuitement à M. LE Ministre de l'Intérieur représente, le 11 décembre 1912, que le 4 février 1907 M. J. P. Lewis a obtenu l'inscription de homestead pour le quart sud-ouest de la section 6, township 59, rang 10, à l'ouest du quatrième méridien.

Le Ministre ajoute qu'il appert que ce colon a abandonné sa femme, Emma J. Lewis, le 20 septembre 1908 et que depuis lors celle-ci a rempli les obligations qu'impose l'inscription de homestead.

Après trois ans de cet abandon l'inscription de M. Lewis fut annulée et l'inscription de homestead pour ce terrain fut accordée à madame Lewis le 18 juin 1912.

Madame Lewis a obtenu des lettres de naturalisation comme sujet britannique.

Madame Lewis demande maintenant ses lettres patentes, mais il appert qu'il n'y a dans la *Loi des terres fédérales* aucune disposition applicable aux cas de ce genre et en vertu de laquelle elle pourrait obtenir ses lettres patentes avant trois ans de la date de l'inscription en son nom.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe "K" de l'article 76 de la *Loi des terres fédérales* l'autorisation soit donnée de délivrer immédiatement ces lettres patentes.

Le comité soumet cette recommandation pour approbation.

Par conséquent il plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions du paragraphe "e" de l'article 76 de la *Loi des terres fédérales*, de décréter qu'il soit par ces présentes réservé, afin de pouvoir être en tout ou en partie employée en rapport avec le chemin de fer de la baie d'Hudson, une lisière de terrain d'un demi-mille de large de chaque côté de la voie du dit chemin de fer, ainsi que finalement établie, à partir de Le Pas jusqu'à la borne ouest du terrain déjà mis en réserve à Port Nelson.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans *quelque journal important* comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal :— Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés

2. Une compagnie de télégraphe ou de téléphone :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelquel effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

DOWNING STREET,
18th December, 1912.

Sir,

I have the honour to transmit to Your Royal Highness for the information of your Ministers a copy of a despatch from His Majesty's Consul General at Budapest calling attention to the requirements of the Hungarian authorities with regard to passports and to the position according to the Hungarian Law of Hungarians who have been naturalized in foreign countries.

I have the honour to be,

Sir,

Your Royal Highness's most
obedient humble servant,

TREATY
No. 4.

BUDAPEST,
November 25, 1912.

SIR,—Under the section "Passport requirements of Foreign Countries" in the Foreign Office List under the heading Austria-Hungary, I see that it is stated that for purposes of residence in this country a Passport or other document to prove identity is necessary. From the considerable number of persons who attempt to reside in Hungary over the legal period of 14 days without being provided with any proof of their nationality or identity I venture to draw your attention to the power invested in the Hungarian authorities to demand such proof after the interval mentioned. The difficulties which arise are usually in the case of Theatrical artistes from whom the Police Authorities require immediate proof of nationality. These persons rarely possess passports or other papers of identification and it has been usual at this Consulate General to give them a document stating that they have taken an oath as British subjects and that His Majesty's Consul

General believes their statement to be true. This paper is marked as being only valid in Hungary. This action has hitherto satisfied the Hungarian authorities. A similar certificate is issued when necessary in the case of governesses, etc., but the latter are always advised to procure their certificates of birth and so enable me to issue passports.

It is, I think, open to question whether this system is a satisfactory one. Not infrequently persons of these categories present themselves here and it is in some cases, especially in those of coloured persons, almost impossible to be sure whether they are British subjects or not. I venture to suggest that the paragraph in the Foreign Office List should point out that it is most desirable for theatrical artistes visiting Hungary to hold passports and that any British Subject resident for more than 14 days in Hungary may be and usually is summoned by the Authorities to produce proof of nationality and identity. Such a paragraph might save British Subjects coming to this country much trouble and anxiety.

There is a further question which I venture to think requires attention. According to Hungarian Law persons naturalised in Foreign Countries do not lose their Hungarian nationality by such a step. The Law prescribes that persons residing abroad uninterruptedly for more than ten years lose their Hungarian nationality unless they take certain action to preserve such nationality. The ten years count from the day they leave Hungary or if provided with passports from the day on which those documents cease to be valid.

According to General Instructions to His Majesty's Consular Officers in the event of an application being made to a Consular Officer for a passport by a British Subject who is still also a subject or citizen of the State in which such officer exercises Consular jurisdiction the application is to be refused and the applicant instructed to obtain a passport from the Authorities of that State.

Now according to the Concessions granted by the Hungarian Government to British and other Shipping Companies the latter are precluded from issuing passages from Hungary unless a passport is produced. This also applies to passages from Hamburg and other European ports, when issued by Companies having Agencies in Hungary. It happens that Hungarians naturalised in Canada do not infrequently visit their country of origin before the 10 years of absence are passed which free them from their Hungarian nationality. His Majesty's Consulate General in these cases is not permitted to issue passports to such persons and the result is that till they can obtain a Hungarian passport they may be exposed to great annoyance and loss of time and money. The above persons are often simple farmers who have no knowledge whatsoever of the passport regulations in force in Hungary, and imagine that their certificate of naturalization will free them from military service and other difficulties, which is not the case. Further, sometimes they are detained to fulfil their military service, and in others, even if they are themselves exempted, their sons are obliged to remain behind or deposit caution money for their subsequent enrolment as recruits. It seems clear that if they understood, as stated in their Certificates of Naturalization, that they could not be protected by this Consulate General and the trouble to which a visit to Hungary might expose them, they would probably not undertake the journey from Canada, or other British Colony. I am not aware whether the state of things I have described is known to the Canadian and other Dominion Governments, and I venture to suggest that, if this is not the case, steps should be taken to bring the matter to their notice.

It is hardly necessary to say that the remarks I have made apply to Hungary only, and not to Austria. The ordinary British Subject is firmly under the impression that Austria and Hungary are synonymous terms.

I have, etc.,

(Signed) EVELYN GRANT DUFF.

Sir Edward Grey, Bart., K.G.,

ORDERS IN COUNCIL.

[3550]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of December, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 5th November, 1912, that authority has been given, under the provisions of The Irrigation Act, to Messrs. John E. Enright and James C. Strong, of East End, Saskatchewan, to construct certain works for the diversion of water from Frenchman River, in Township 6, Range 22, west of the 3rd Meridian, for irrigation purposes, and that, by authority of Orders in Council dated 5th November, 1907, 29th July, 1909, and 29th October, 1910, certain lands were sold to Messrs. Enright and Strong for reclamation by means of irrigation, the total area so sold being 6,158.65 acres, of which 2,868 acres are to be irrigated.

The Minister further submits that, within the tract sold to Messrs. Enright and Strong for irrigation purposes, there lies a portion of the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, which, until recently, has been reserved for the use of the Royal North West Mounted Police at East End, Saskatchewan. This reservation has, however, now been cancelled, with the exception of the southwest quarter of legal subdivision 4 of the said Section 32. The remainder of this quarter section lies along the course of one of the main irrigation ditches constructed by Messrs. Enright and Strong, and a considerable proportion thereof can easily be irrigated from the said ditch.

That an application has been received from Messrs. Enright and Strong to purchase the southwest quarter of the said Section 32, for inclusion in their irrigation project.

The Minister, therefore, recommends that the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, excepting the southwest quarter of legal subdivision 4 thereof, be sold to James Carey Strong and Denham Norreys McLean, administrator of the estate of the late John Edward Enright, under the irrigation system, at the rate of \$3.00 per acre, one-fourth of which sum shall be paid within sixty days from the date of the sale and the remainder, together with interest at the rate of five per cent per annum, shall become due and payable upon the completion of the irrigation works. It shall be a condition of the sale that the irrigation works shall be completed to the satisfaction of the Minister of the Interior before letters patent are issued for the land sold, and that, if at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system on the said land, may be forfeited to the Crown.

The Committee submit the same for approval.

Clerk of the Privy Council.

WHEREAS by Order in Council of the 20th December, 1911, four acres of land comprised in the S. W. $\frac{1}{4}$ of section 17, Township 28, Range 15, west of the Principal Meridian, were set apart and appropriated for the purpose of a cemetery site at Magnet, in the Province of Manitoba, and a grant thereof for the said purpose was authorized to the duly appointed trustees;

Thursday, the 5th day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

THE Minister of the Interior submits, under date 3rd October, 1911, that an application has been made by the Government of the Province of Alberta for the purchase, at \$1.00 an acre, for the purpose of establishing thereon a demonstration farm, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13, east of Athabasca Landing, being part of the subdivision of Section 34, Township 66, Range 22, west of the fourth meridian, containing an aggregate area of 483.80 acres, which lots are comprised in Block 15, in the Townsite of Athabasca Landing, and are shown bordered pink upon the plan attached thereto. It has been represented to the Minister that the Provincial authorities have adopted a policy of establishing a number of these farms at points most convenient to the farmers throughout the Province as a demonstration of what a reasonably intelligent farmer could do with ordinary capital. At

these demonstration farms it is also proposed to hold the summer shows, seed fairs and stock judging contests;

The Minister states that the lands applied for are at the disposal of the Department of the Interior, and he is of the opinion that it would be in the public interest to favorably entertain the application,—

The Minister, therefore, recommends that the said lots, containing an aggregate area of 483.80 acres, be sold to the Government of the Province of Alberta at the rate of \$1.00 an acre.

The Committee submit the same for approval.

Clerk of the Privy Council.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior states that, in addition to the lands reserved by Orders in Council of the 29th March, 1909, and the 25th April, 1912, for the purposes of the Hudson Bay Railway, it appears necessary in the public interest that a strip of land half a mile wide on each side of the land of the said railway from Le Pas to the western boundary of the land already set aside at Port Nelson, should be reserved,—

Therefore His Royal Highness the Governor General in Council, under the provisions of subsection "e" of section 76 of The Dominion Lands Act, is pleased to order that a strip of land half a mile in width on each side of the Hudson Bay Railway, as finally located, from Le Pas to the western boundary of the land already set aside at Port Nelson shall be and the same is hereby withdrawn from disposal, in order that the same or part thereof may be used in connection with the said railway.

Tuesday, the 17th day of December, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 11th December, 1912, that Mr. J. P. Lewis obtained homestead entry for the south-west quarter of Section 6, Township 59, Range 10, west of the Fourth Meridian on the 4th February, 1907.

The Minister states that it appears that this homesteader deserted his wife, Emma J. Lewis, on the 20th September, 1908, and that since that time she has performed the required homestead duties;

That after Mrs. Lewis had been deserted for a period of three years her husband's entry was cancelled and she was permitted to make entry for this land on the 18th June, 1912;

That Mrs. Lewis has been granted a certificate of naturalization as a British subject;

That Mrs. Lewis has now made application for patent, but it appears that there is no provision in The Dominion Lands Act covering cases of this kind, under which she could obtain patent until she had held entry for the land for three years from the date of entry.

The Minister, therefore, recommends that authority be given, under the provisions of subsection "K" of section seventy-six of The Dominion Lands Act to enable patent to be issued at once.

The Committee submit the same for approval.

Clerk of the Privy Council.

Therefore His Royal Highness the Governor General in Council is pleased to approve and doth hereby approve the change in the general pier head line in the Harbour of Vancouver, as shown on the above mentioned plan.

HOUSE OF COMMONS.

RULES RELATIVE TO PETITIONS AND PRIVATE BILLS.

Petitions for Private Bills.

88. Petitions for Private Bills shall only be received by the House if presented within the first six weeks of the session, and every Private Bill shall be presented to the House within two weeks after the petition therefor has been favourably reported upon by the Examiner or by the Committee on Standing Orders, and no motion for the suspension of this Rule shall be entertained unless a report has been first made by the Committee on Standing Orders recommending such suspension and giving their reasons therefor.

Instruction to Committees.

97. That it be an instruction to all Committees on Private Bills, in the event of promoters not being ready to proceed with their measures when the same have been twice called on two separate occasions for consideration by the Committee, that such measures shall be reported back to the House forthwith, together with a statement of the facts and with the recommendation that such Bills be withdrawn.

Deposit of Bills and Fees.

89. (1) Any person desiring to obtain any Private Bill, shall deposit with the Clerk of the House, at least eight days before the meeting of the House, a copy of such Bill in the English or French language, with a sum sufficient to pay for translating and printing the same; the translation to be done by the officers of the House, and the printing by the Department of Public

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.
- (7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

DÉPÊCHES, Etc.

CANADA,
No 864.

DOWNING STREET,
18 décembre 1912.

MONSIEUR,—J'ai l'honneur de transmettre à Votre Altesse Royale, pour le renseignement de Vos Ministres, copie d'une dépêche du consul général de Sa Majesté à Buda-Pesth, attirant l'attention aux exigences des autorités hongroises au sujet des passeports et de la position qui est faite par la loi hongroise aux Hongrois naturalisés en pays étranger.

J'ai l'honneur d'être, de Votre Altesse Royale,
le très humble et obéissant serviteur,
L. HARCOURT.

le Duc de Connaught et Strathearn, C.J., C.C.,

Emp. des I., G.C.O.V., etc., etc., etc.

TRAITÉ No 4.

BUDA-PESTH,
25 novembre 1912.

MONSIEUR,—Relativement à l'article "Passport Requirements of Foreign Countries" dans la Liste du Foreign Office sous l'en-tête Autriche-Hongrie, je vois qu'il y est dit que pour des fins de résidence dans ce pays-là un passeport ou une autre preuve d'identité est nécessaire. Vu le grand nombre de personnes qui tentent de résider en Hongrie au delà de la période légale de 14 jours sans être munies de quelque preuve de leur nationalité ou d'identité, j'ose attirer votre attention au pouvoir que possèdent les autorités hongroises de demander cette preuve après l'intervalle mentionné. Les

difficultés qui surviennent sont ordinairement au sujet des artistes de théâtre desquels les autorités policières exigent une preuve immédiate de nationalité. Il est rare que ces personnes possèdent des passeports ou autres preuves d'identité, et ordinairement le consulat général leur donnait un document disant qu'ils avaient prêté serment comme sujet britannique et que le consul général de Sa Majesté croyait leur déclaration véridique. Ce document est marqué comme n'étant valide qu'en Hongrie. Jusqu'à présent les autorités hongroises se sont contentées de cette pièce. Un certificat semblable est émis, lorsque nécessaire, dans le cas de gouvernantes, etc., mais ces dernières sont toujours invitées à produire leurs certificats de naissance, ce qui me permet d'émettre des passeports. Mais je doute que ce système soit satisfaisant. Assez souvent des personnes de cette catégorie se présentent ici, et dans certains cas, surtout s'il s'agit de personnes de couleur, il est presque impossible de dire si elles sont ou non des sujets britanniques.

J'ose suggérer que le paragraphe dans la liste du Foreign Office fasse savoir qu'il est très désirable que les artistes de théâtre qui visitent la Hongrie possèdent des passeports, et que tout sujet britannique qui séjourne plus de 14 jours en Hongrie peut être sommé par les autorités de produire une preuve de nationalité et d'identité. Un tel paragraphe éviterait, aux sujets britanniques qui viennent en ce pays, beaucoup d'ennuis et de désagréments.

Une autre question, je crois, mérite considération. D'après la loi hongroise les personnes naturalisées dans les pays étrangers ne perdent pas par là leur nationalité hongroise. La loi dit que les personnes qui résident à l'étranger sans interruption durant plus de dix ans perdent leur nationalité hongroise, à moins de prendre des mesures pour la conserver. Les dix ans comptent depuis le jour qu'ils quittent la Hongrie, ou, s'ils sont munis de passeports, depuis le jour où ces documents cessent d'être valides.

D'après les Instructions générales aux officiers consulaires de Sa Majesté dans le cas où une demande est faite à un officier consulaire pour un passeport par un sujet britannique qui est encore un sujet ou citoyen de l'Etat dans lequel cet officier exerce une juridiction consulaire, la demande doit être refusée et le requérant conseillé d'obtenir un passeport des autorités de cet Etat.

Or, d'après les concessions accordées par le gouvernement hongrois aux compagnies de navigation britanniques et autres, ces dernières sont empêchées de délivrer des passages partant de la Hongrie à moins qu'un passeport ne soit produit. Ceci s'applique également aux passages depuis Hambourg et autres ports européens émis par des compagnies ayant des agences en Hongrie. Il arrive assez souvent que des hongrois naturalisés au Canada visitent leur pays d'origine avant que les 10 ans d'absence se soient écoulés qui les affranchiraient de leur nationalité hongroise. Dans ces cas le Consulat général de Sa Majesté n'a pas la permission d'émettre des passeports à ces personnes, et il en résulte que ces personnes tant qu'elles n'ont pas obtenu de passeport hongrois, s'exposent à beaucoup d'ennuis et de perte de temps et d'argent. Les susdites personnes sont souvent de simples cultivateurs et ne connaissent aucunement les règlements des passeports en force en Hongrie, et s'imaginent que leur certificat de naturalisation va les affranchir du service militaire et autres difficultés, ce qui n'est pas le cas. De plus, quelquefois ils sont détenus pour remplir leur service militaire, et dans d'autres, même s'ils sont eux-mêmes exemptés, leurs fils sont obligés de rester en arrière ou de donner un cautionnement pour leur enrôlement subséquent comme recrues. Il est évident que s'ils comprenaient, comme le comportent leurs certificats de naturalisation, qu'ils ne pourraient pas être protégés par ce Consulat général, et le désagrément auquel les exposerait une visite en Hongrie, ils n'entreprendraient pas un voyage du Canada ou d'autre colonie britannique.

J'ignore si l'état des choses dont je parle est connu des gouvernements canadiens et d'autres possessions britanniques, et j'ose suggérer que s'ils ne le connaissent pas, il soit pris des mesures pour porter l'affaire à leur connaissance.

Il est à peine nécessaire de dire que les remarques que j'ai faites ne s'appliqueront qu'à la Hongrie et non à l'Autriche.

Le sujet britannique ordinaire est sous l'impression que l'Autriche et la Hongrie sont des termes synonymes.

J'ai etc.,

EVELYN GRANT DUFF.

Le Très Honorable

Sir Edward Grey, Bart., C.J.,
etc., etc., etc.

LE Ministre de l'Intérieur représente, le 5 novembre 1912, qu'en vertu des dispositions de la Loi d'irrigation l'autorisation a été donnée à MM. John E. Enright et James S. Strong, de East End, Saskatchewan, de faire certains travaux pour le détournement de l'eau de la rivière Frenchman, dans le township 6, rang 22, à l'ouest du 3e méridien, pour des fins d'irrigation, et qu'en vertu d'arrêtés en conseil datés le 5 novembre 1907, le 29 juillet 1909 et le 29 octobre 1910 certaines terres ont été vendues à MM. Enright et Strong pour le dessèchement au moyen de l'irrigation, la superficie totale des terres ainsi vendues étant de 6,158.65 acres, dont 2,868 acres doivent être irriguées.

Le Ministre ajoute que dans les limites du terrain vendu à MM. Enright et Strong pour des fins d'irrigation se trouve une partie du quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, qui avait été jusqu'à récemment réservé à l'usage de la police à cheval du Nord-Ouest à East End, Saskatchewan. Toutefois, à l'exception du quart sud-ouest de la subdivision légale 4 de la dite section 32, ce terrain a été soustrait de la réserve. Le reste de ce quart de section borde le principal canal d'irrigation construit par MM. Enright et Strong, et une étendue considérable peut en être irriguée par le dit canal.

MM. Enright et Strong ont fait une demande d'acheter le quart sud-ouest de la dite section 32, qu'ils veulent inclure dans leur projet d'irrigation.

Par conséquent, le Ministre recommande que la quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, sauf le quart sud-ouest de la subdivision légale 4 de cette section, soit vendu, conformément aux règlements concernant l'irrigation, à James Carey Strong et Denham Norreys McLean, administrateur de la succession de feu John Edward Enright, au prix de \$3 l'acre, le quart de la somme payable dans les soixante jours qui suivront la date de la vente et le reste, ainsi que l'intérêt au taux de cinq pour cent par année, lors du parachèvement des travaux. Une des conditions de la vente est que les travaux d'irrigation seront parachevés à la satisfaction du Ministre de l'Intérieur avant que les lettres patentes du terrain vendu soient accordées, et que si à la fin du délai accordé pour le parachèvement des travaux d'irrigation les dits travaux ne sont pas terminés le contrat de vente de ces terrains peut être annulé et tout acompte payé ou travaux d'irrigation exécutée peuvent être confisqués par la Couronne.

Le comité soumet cette recommandation pour approbation.

Le Ministre ajoute que la preuve soumise démontre que le requérant occupait le terrain en question à la date de la conclusion du traité indien n° 8 à l'été de 1899.

Le Ministre ajoute qu'il appert que ce colon a abandonné sa femme, Emma J. Lewis, le 20 septembre 1908 et que depuis lors celle-ci a rempli les obligations qu'impose l'inscription de homestead.

Après trois ans de cet abandon l'inscription de M. Lewis fut annulée et l'inscription de homestead pour ce terrain fut accordée à madame Lewis le 18 juin 1912.

Madame Lewis a obtenu des lettres de naturalisation comme sujet britannique.

Madame Lewis demande maintenant ses lettres patentes, mais il appert qu'il n'y a dans la *Loi des terres fédérales* aucune disposition applicable aux cas de ce genre et en vertu de laquelle elle pourrait obtenir ses lettres patentes avant trois ans de la date de l'inscription en son nom.

Il a été représenté au Ministre que les

autorités provinciales ont décidé d'établir dans la province un certain nombre de ces stations aux endroits qui conviennent le mieux aux cultivateurs, pour démontrer ce qu'un cultivateur d'intelligence commune peut faire avec un capital ordinaire. DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. 4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

DESPATCHES, Etc.

DEPARTMENT OF EXTERNAL AFFAIRS.

14th January, 1913.

AN enquiry having been addressed, at the instance of the Canadian Government, to the Government of Italy, as to the authority of Italian Consular Officers to receive moneys awarded by Canadian Courts to Italian subjects not resident in Canada, the reply contained in the following despatch has been received to the effect that Italian Consular Officers have such authority to receive articles and money due to Italian subjects not resident in Canada:—

From the Secretary of State for the Colonies to the Governor General.

Reference to previous despatch Governor General, No. 465, 23rd August.

CANADA, No. 874.

DOWNING STREET,

20th December, 1912.

SIR,—I have the honour to transmit to Your Royal Highness, for the information of Your Ministers, the papers noted below on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada.

I have, &c.,

L. HARCOURT.

The Officer administering the Government of Canada.

No. 39 Consular.

ROME, 9th December, 1912.

SIR,—On receipt of your despatch No. 47 Consular of the 10th September last, on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada, Mr. Dering addressed a note to the Italian Government in the sense of the letter of August 21 from the Canadian Department of External Affairs.

In reply to this note the Italian Minister for Foreign Affairs states that Italian Consular Officers are authorized by the consular regulations to receive from the local authorities, or from the representatives of the person entitled to them, articles and money due to Italian subjects not resident in the country concerned, and that their receipt is valid. The procedure followed is that the money is transmitted by the Consular officer to the Italian Ministry of Foreign Affairs, which hands it over to the competent judicial authorities (or to the Italian consul abroad as the case may be), who effect the payment and obtain receipts from the parties concerned; such receipts are usually lodged in the archives of the Ministry, but if it is so desired they can be transmitted to the authorities abroad who made the original payment. This latter course is frequently adopted in the case of small inheritances and of compensation for accidents to workmen received in Great Britain and some of her dependencies, e.g. the Union of South Africa, by Italian Consuls for transmission to the heirs in Italy.

It is pointed out that the method of transmission outlined above is an absolutely safe one and that no expense whatsoever is incurred by the persons to whom the money is due. It is admitted that it takes some time and it is suggested that if cheques, made out by the Canadian authorities in favour of the person entitled, were used there might be some saving in this respect; on the other hand the recipients might, if residing in remote country districts, as would usually be the case, find it difficult to get the cheques cashed.

The Minister for Foreign Affairs concludes by stating that his Department will do everything in its power to facilitate the transmission to the heirs of any sums entrusted to Italian Consular Officers by the Canadian authorities.

I have, &c.,

TREATY
No. 4.

BUDAPEST,
November 25, 1912.

SIR,—Under the section "Passport requirements of Foreign Countries" in the Foreign Office List under the heading Austria-Hungary, I see that it is stated that for purposes of residence in this country a Passport or other document to prove identity is necessary. From the considerable number of persons who attempt to reside in Hungary over the legal period of 14 days without being provided with any proof of their nationality or identity I venture to draw your attention to the power invested in the Hungarian authorities to demand such proof after the interval mentioned. The difficulties which arise are usually in the case of Theatrical artistes from whom the Police Authorities require immediate proof of nationality. These persons rarely possess passports or other papers of identification and it has been usual at this Consulate General to give them a document stating that they have taken an oath as British subjects and that His Majesty's Consul General believes their statement to be true. This paper is marked as being only valid in Hungary. This action has hitherto satisfied the Hungarian authorities. A similar certificate is issued when necessary in the case of governesses, etc., but the latter are always advised to procure their certificates of birth and so enable me to issue passports.

It is, I think, open to question whether this system is a satisfactory one. Not infrequently persons of these categories present themselves here and it is in some cases, especially in those of coloured persons, almost impossible to be sure whether they are British subjects or not. I venture to suggest that the paragraph in the Foreign Office List should point out that it is most desirable for theatrical artistes visiting Hungary to hold passports and that any British Subject resident for more than 14 days in Hungary may be and usually is summoned by the Authorities to produce proof of nationality and identity. Such a paragraph might save British Subjects coming to this country much trouble and anxiety.

There is a further question which I venture to think requires attention. According to Hungarian Law persons naturalised in Foreign Countries do not lose their Hungarian nationality by such a step. The Law prescribes that persons residing abroad uninterruptedly for more than ten years lose their Hungarian nationality unless they take certain action to preserve such nationality. The ten years count from the day they leave Hungary or if provided with passports from the day on which those documents cease to be valid.

According to General Instructions to His Majesty's Consular Officers in the event of an application being made to a Consular Officer for a passport by a British Subject who is still also a subject or citizen of the State in which such officer exercises Consular jurisdiction the application is to be refused and the applicant instructed to obtain a passport from the Authorities of that State.

Now according to the Concessions granted by the Hungarian Government to British and other Shipping Companies the latter are precluded from issuing

passages from Hungary unless a passport is produced. This also applies to passages from Hamburg and other European ports, when issued by Companies having Agencies in Hungary. It happens that Hungarians naturalised in Canada not infrequently visit their country of origin before the 10 years of absence are passed which free them from their Hungarian nationality. His Majesty's Consulate General in these cases is not permitted to issue passports to such persons and the result is that till they can obtain a Hungarian passport they may be exposed to great annoyance and loss of time and money. The above persons are often simple farmers who have no knowledge whatsoever of the passport regulations in force in Hungary, and imagine that their certificate of naturalization will free them from military service and other difficulties, which is not the case. Further, sometimes they are detained to fulfil their military service, and in others, even if they are themselves exempted, their sons are obliged to remain behind or deposit caution money for their subsequent enrolment as recruits. It seems clear that if they understood, as stated in their Certificates of Naturalization, that they could not be protected by this Consulate General and the trouble to which a visit to Hungary might expose them, they would probably not undertake the journey from Canada, or other British Colony. I am not aware whether the state of things I have described is known to the Canadian and other Dominion Governments, and I venture to suggest that, if this is not the case, steps should be taken to bring the matter to their notice.

It is hardly necessary to say that the remarks I have made apply to Hungary only, and not to Austria. The ordinary British Subject is firmly under the impression that Austria and Hungary are synonymous terms.

I have, etc.,

(Signed) EVELYN GRANT DUFF.

Sir Edward Grey, Bart., K.G.,

ORDERS IN COUNCIL.

Saturday, the 11th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior, under date 14th December, 1912, reports that application has been made by The Northern Trading Company, Limited, of Edmonton, in the Province of Alberta, for a license of occupation of a portion of River lot 1 west, at Athabaska Landing Settlement, in the said Province of Alberta.

The Minister is of the opinion that, as it is proposed to move to the land applied for certain storehouses which have been constructed on the river road, the application should be granted.

The Minister, therefore, recommends that a license of occupation be issued in favour of The Northern Trading Company, Limited, for a period of five years at an annual rental of \$10, payable in advance and terminable at any time, upon sixty days' notice being given the licensees, for all that portion of River lot 1 West, at Athabaska Landing Settlement, in the Province of Alberta, which lies between the southern limit of the land set apart by Order in Council of 28th April, 1898, as an extension to the road along the Athabaska River at this point and the northern limit of the land granted to Colin Johnston by letters patent, dated 13th March, 1903, and which is not included within the limits of a surveyed trail crossing the said parcel, and containing an approximate area of fifty-five hundredths of an acre, more or less, and as shown coloured yellow on the sketch, hereto attached.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

The following regulations in respect of vessels arriving in any public harbour in Canada from any port infected or suspected of being infected with bubonic plague are hereby added to the General Regulations for the Government of Public Harbours in Canada, as approved by Order in Council of 20th April, 1911, as sections 49a, 49b and 49c thereof :

49a. It shall be unlawful for any vessel coming from any port where bubonic plague is present or is suspected of being present, and entering any public harbour in Canada, to be docked or moored in still waters at a less distance from any wharf than six feet, and where owing to the strength of the current such distance from a wharf cannot be maintained, then the distance shall be as near to six feet as in the opinion of the harbour master circumstances permit.

49b. It shall be unlawful for any vessel coming from any port where bubonic plague is present or is suspected of being present, and entering any public harbour in Canada, to be secured or made fast to any wharf by any hawser or hawsers on which there is not placed a metal rat guard or funnel at least three feet in diameter, and at least three feet from such wharf.

49c. It shall be unlawful for any vessel coming from any port where bubonic plague is present or is suspected of being present, and entering any public harbour in Canada, to be connected with any wharf by a gangway which is not guarded by some person there for the purpose of preventing rats from leaving such vessel by such gangway, and all gangways shall be lifted when not in use.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of December, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 5th November, 1912, that authority has been given, under the provisions of The Irrigation Act, to Messrs. John E. Enright and James C. Strong, of East End, Saskatchewan, to construct certain works for the diversion of water from Frenchman River, in Township 6, Range 22, west of the 3rd Meridian, for irrigation purposes, and that, by authority of Orders in Council dated 5th November, 1907, 29th July, 1909, and 29th October, 1910, certain lands were sold to Messrs. Enright and Strong for reclamation by means of irrigation, the total area so sold being 6,158.65 acres, of which 2,868 acres are to be irrigated.

The Minister further submits that, within the tract sold to Messrs. Enright and Strong for irrigation purposes, there lies a portion of the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, which, until recently, has been reserved for the use of the Royal North West Mounted Police at East End, Saskatchewan. This reservation has, however, now been cancelled, with the exception of the southwest quarter of legal subdivision 4 of the said Section 32. The remainder of this quarter section lies along the course of one of the main irrigation ditches constructed by Messrs. Enright and Strong, and a considerable proportion thereof can easily be irrigated from the said ditch.

That an application has been received from Messrs. Enright and Strong to purchase the southwest quarter of the said Section 32, for inclusion in their irrigation project.

The Minister, therefore, recommends that the southwest quarter of Section 32; Township 6, Range 21, west of the 3rd Meridian, excepting the southwest quarter of legal subdivision 4 thereof, be sold to James Carey Strong and Denham Norreys McLean, administrator of the estate of the late John Edward Enright, under the irrigation system, at the rate of \$3.00 per acre, one-fourth of which sum shall be paid within sixty days from the date of the sale and the remainder, together with interest at the rate of five per cent per annum, shall become due and payable upon the completion of the irrigation works. It shall be a condition of the sale that the irrigation works shall be completed to the satisfaction of the Minister of the Interior before letters patent are issued for the land sold, and that, if at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system on the said land, may be forfeited to the Crown.

The Committee submit the same for approval.

Clerk of the Privy Council.

Thursday, the 5th day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

THE Minister of the Interior submits, under date 3rd October, 1911, that an application has been made by the Government of the Province of Alberta for the purchase, at \$1.00 an acre, for the purpose of establishing thereon a demonstration farm, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13, east of Athabasca Landing, being part of the subdivision of Section 34, Township 66, Range 22, west of the fourth meridian, containing an aggregate area of 483.80 acres, which lots are comprised in Block 15, in the Townsite of Athabasca Landing, and are shown bordered pink upon the plan attached thereto. It has been represented to the Minister that the Provincial authorities have adopted a policy of establishing a number of these farms at points most convenient to the farmers throughout the Province as a demonstration of what a reasonably intelligent farmer could do with ordinary capital. At

these demonstration farms it is also proposed to hold the summer shows, seed fairs and stock judging contests:

The Minister states that the lands applied for are at the disposal of the Department of the Interior, and he is of the opinion that it would be in the public interest to favorably entertain the application,—

The Minister, therefore, recommends that the said lots, containing an aggregate area of 483.80 acres, be sold to the Government of the Province of Alberta at the rate of \$1.00 an acre.

The Committee submit the same for approval.

Friday, the 13th day of December, 1912

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS the Minister of the Interior states that, in addition to the lands reserved by Orders in Council of the 29th March, 1909, and the 25th April, 1912, for the purposes of the Hudson Bay Railway, it appears necessary in the public interest that a strip of land half a mile wide on each side of the land of the said railway from Le Pas to the western boundary of the land already set aside at Port Nelson, should be reserved,—

Therefore His Royal Highness the Governor General in Council, under the provisions of subsection "e" of section 76 of The Dominion Lands Act, is pleased to order that a strip of land half a mile in width on each side of the Hudson Bay Railway, as finally located, from Le Pas to the western boundary of the land already set aside at Port Nelson shall be and the same is hereby withdrawn from disposal, in order that the same or part thereof may be used in connection with the said railway.

RODOLPHE BOUDREAU,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of December, 1912.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 11th December, 1912, that Mr. J. P. Lewis obtained homestead entry for the south-west quarter of Section 6, Township 59, Range 10, west of the Fourth Meridian on the 4th February, 1907.

The Minister states that it appears that this homesteader deserted his wife, Emma J. Lewis, on the 20th September, 1908, and that since that time she has performed the required homestead duties;

That after Mrs. Lewis had been deserted for a period of three years her husband's entry was cancelled and she was permitted to make entry for this land on the 18th June, 1912;

That Mrs. Lewis has been granted a certificate of naturalization as a British subject;

That Mrs. Lewis has now made application for patent, but it appears that there is no provision in The Dominion Lands Act covering cases of this kind, under which she could obtain patent until she had held entry for the land for three years from the date of entry.

The Minister, therefore, recommends that authority be given, under the provisions of subsection "K" of section seventy-six of The Dominion Lands Act to enable patent to be issued at once.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

26-4 Clerk of the Privy Council.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DÉPÊCHES, Etc.

DEPARTEMENT DES AFFAIRES EXTÉRIEURES.

14 janvier 1913.

LE gouvernement canadien s'étant informé auprès du gouvernement italien, sur l'autorité des officiers consulaires italiens de recevoir des deniers adjugés par des tribunaux canadiens à des sujets italiens non domiciliés au Canada, la réponse que contient la dépêche ci-dessous a été reçue comportant que les officiers consulaires italiens sont autorisés à recevoir des articles et deniers dus à des sujets italiens non domiciliés au Canada :

Du Secrétaire d'Etat pour les Colonies au Gouverneur général.

Canada, DOWNING STREET,
n° 874. 20 décembre 1912.

MONSIEUR,—J'ai l'honneur de transmettre à Votre Altesse Royale, pour le renseignement de Vos Ministres, les documents cités ci-dessous concernant le paiement par les tribunaux canadiens de la compensation et autres deniers adjugés à des Italiens non domiciliés au Canada.

J'ai, etc.,

L. HARCOURT.

A l'Administrateur du Gouvernement
du Canada.

Consulaire, n° 33.

ROME, 9 décembre 1912.

MONSIEUR,—Au reçu de votre dépêche consulaire n° 47 du 10 septembre dernier, au sujet du paiement par les tribunaux canadiens de compensation et autres effets adjugés à des Italiens non domiciliés au Canada, M. Dering a adressé une note au gouvernement italien dans le sens de la lettre du 21 août du Département canadien des Affaires Extérieures.

En réponse à cette note le Ministre italien pour les Affaires Etrangères dit que les officiers consulaires italiens sont autorisés par les règlements consulaires de recevoir des autorités locales ou du représentant de la personne qui y a droit, les articles et deniers dus à des sujets italiens non domiciliés dans le pays intéressé, et que leur reçu est valide. La procédure suivie est que les deniers sont transmis par l'officier consulaire au Ministère italien pour les Affaires Etrangères et ce dernier le transmet aux autorités judiciaires compétentes (ou au consul italien, à l'étranger, selon le cas), qui effectue le paiement et obtient des reçus de personnes intéressées ; ces reçus sont ordinairement déposés aux archives du ministère, mais si la chose est désirée ils

peuvent être transmis aux autorités à l'étranger qui ont opéré le paiement original. Ce dernier moyen est fréquemment adopté dans le cas de petits héritages et de compensation pour accidents à des ouvriers reçus dans la Grande-Bretagne et quelques-unes de ses dépendances, *e. g.*, l'Union Sud-africaine, par les consuls italiens pour transmission aux héritiers en Italie.

Il est fait mention que le mode de transmission ci-dessus indiqué est absolument sûr et que les personnes auxquelles l'argent est dû n'encourent aucune dépense. On admet que ce moyen est un peu long et l'on suggère que si les chèques émis par les autorités canadiennes en faveur des personnes qui y ont droit étaient employés il y aurait moins de temps perdu sous ce rapport ; d'un autre côté, les personnes qui reçoivent ces chèques si elles demeurent dans des campagnes éloignées, comme le cas se présenterait souvent, auraient de la difficulté à faire changer les chèques.

Le Ministre des Affaires Etrangères termine en déclarant que son ministère fera tout son possible pour faciliter la transmission aux héritiers de toutes les sommes qui seront confiées aux officiers consulaires italiens par les autorités canadiennes.

J'ai etc.,

MONSIEUR,—J'ai l'honneur de transmettre à Votre Altesse Royale, pour le renseignement de Vos Ministres, copie d'une dépêche du consul général de Sa Majesté à Buda-Pesth, attirant l'attention aux exigences des autorités hongroises au sujet des passeports et de la position qui est faite par la loi hongroise aux Hongrois naturalisés en pays étranger.

J'ai l'honneur d'être, de Votre Altesse Royale,

TRAITÉ No 4.

BUDA-PESTH,
25 novembre 1912.

MONSIEUR,—Relativement à l'article "Passport Requirements of Foreign Countries" dans la Liste du Foreign Office sous l'en-tête Autriche-Hongrie, je vois qu'il y est dit que pour des fins de résidence dans ce pays-là un passeport ou une autre preuve d'identité est nécessaire. Vu le grand nombre de personnes qui tentent de résider en Hongrie au delà de la période légale de 14 jours sans être munies de quelque preuve de leur nationalité ou d'identité, j'ose attirer votre attention au pouvoir que possèdent les autorités hongroises de demander cette preuve après l'intervalle mentionné. Les difficultés qui surviennent sont ordinairement au sujet des artistes de théâtre desquels les autorités policières exigent une preuve immédiate de nationalité. Il est rare que ces personnes possèdent des passeports ou autres preuves d'identité, et ordinairement le consulat général leur donnait un document disant qu'ils avaient prêté serment comme sujet britannique et que le consul général de Sa Majesté croyait leur déclaration véridique. Ce document est marqué comme n'étant valide qu'en Hongrie. Jusqu'à présent les autorités hongroises se sont contentées de cette pièce. Un certificat semblable est émis, lorsque nécessaire,

dans le cas de gouvernantes, etc., mais ces dernières sont toujours invitées à produire leurs certificats de naissance, ce qui me permet d'émettre des passeports. Mais je doute que ce système soit satisfaisant. Assez souvent des personnes de cette catégorie se présentent ici, et dans certains cas, surtout s'il s'agit de personnes de couleur, il est presque impossible de dire si elles sont ou non des sujets britanniques.

J'ose suggérer que le paragraphe dans la liste du Foreign Office fasse savoir qu'il est très désirable que les artistes de théâtre qui visitent la Hongrie possèdent des passeports, et que tout sujet britannique qui séjourne plus de 14 jours en Hongrie peut être sommé par les autorités de produire une preuve de nationalité et d'identité. Un tel paragraphe éviterait, aux sujets britanniques qui viennent en ce pays, beaucoup d'ennuis et de désagréments.

Une autre question, je crois, mérite considération. D'après la loi hongroise les personnes naturalisées dans les pays étrangers ne perdent pas par là leur nationalité hongroise. La loi dit que les personnes qui résident à l'étranger sans interruption durant plus de dix ans perdent leur nationalité hongroise, à moins de prendre des mesures pour la conserver. Les dix ans comptent depuis le jour qu'ils quittent la Hongrie, ou, s'ils sont munis de passeports, depuis le jour où ces documents cessent d'être valides.

D'après les Instructions générales aux officiers consulaires de Sa Majesté dans le cas où une demande est faite à un officier consulaire pour un passeport par un sujet britannique qui est encore un sujet ou citoyen de l'État dans lequel cet officier exerce une juridiction consulaire, la demande doit être refusée et le requérant conseillé d'obtenir un passeport des autorités de cet État.

Or, d'après les concessions accordées par le gouvernement hongrois aux compagnies de navigation britanniques et autres, ces dernières sont empêchées de délivrer des passages partant de la Hongrie à moins qu'un passeport ne soit produit. Ceci s'applique également aux passages depuis Hambourg et autres ports européens émis par des compagnies ayant des agences en Hongrie. Il arrive assez souvent que des hongrois naturalisés au Canada visitent leur pays d'origine avant que les 10 ans d'absence se soient écoulés qui les affranchiraient de leur nationalité hongroise. Dans ces cas le Consulat général de Sa Majesté n'a pas la permission d'émettre des passeports à ces personnes, et il en résulte que ces personnes tant qu'elles n'ont pas obtenu de passeport hongrois, s'exposent à beaucoup d'ennuis et de perte de temps et d'argent. Les susdites personnes sont souvent de simples cultivateurs et ne connaissent aucunement les règlements des passeports en force en Hongrie, et s'imaginent que leur certificat de naturalisation va les affranchir du service militaire et autres difficultés, ce qui n'est pas le cas. De plus, quelquefois ils sont détenus pour remplir leur service militaire, et dans d'autres, même s'ils sont eux-mêmes exemptés, leurs fils sont obligés de rester en arrière ou de donner un cautionnement pour leur enrôlement subséquent comme recrues. Il est évident que s'ils comprenaient, comme le comportent leurs certificats de naturalisation, qu'ils ne pourraient pas être protégés par ce Consulat général, et le désagrément auquel les exposerait une visite en Hongrie, ils n'entreprendraient pas un voyage du Canada ou d'autre colonie britannique.

J'ignore si l'état des choses dont je parle est connu des gouvernements canadiens et d'autres possessions britanniques, et j'ose suggérer que s'ils ne le connaissent pas, il soit pris des mesures pour porter l'affaire à leur connaissance.

Il est à peine nécessaire de dire que les remarques que j'ai faites ne s'appliqueront qu'à la Hongrie et non à l'Autriche.

Le sujet britannique ordinaire est sous l'impression que l'Autriche et la Hongrie sont des termes synonymes.

J'ai etc.,

EVELYN GRANT DUFF.

Sir Edward Grey, Bart., C.J.,
etc., etc., etc.

PRÉSENT :

SON ALTESSE ROYALE EN CONSEIL.

Il plaît au Gouverneur général en conseil, en vertu des dispositions de la Partie XII de la *Loi de la marine marchande au Canada*, de décréter ce qui suit :

Les règlements suivants concernant l'arrivée dans un havre public du Canada de navires venant d'un port quelconque infesté ou soupçonné d'être infesté de la peste bubonique sont par ces présentes ajoutés comme articles 49a, 49b et 49c, aux règlements généraux pour l'administration des havres publics au Canada, ainsi qu'approuvés par un arrêté en conseil du 20 avril 1911 :

49a. Il est illégal pour tout navire venant d'un port quelconque où existe ou est soupçonné d'exister la peste bubonique, et entrant dans un havre public au Canada, de mouiller à un quai ou d'être amarré en eau dormante à une distance du quai moindre que six pieds ; et où cette distance du quai ne peut être maintenue à cause de la force du courant, la distance sera aussi près de six pieds que, de l'avis du maître de havre, les circonstances le permettent.

49b. Il est illégal pour tout navire venant d'un port quelconque où existe ou est soupçonné d'exister la peste bubonique, et entrant dans un havre public au Canada, d'être amarré à un quai par un câble ou des câbles sur lesquels n'a pas été placée une garde ou entonnoir en métal pour empêcher le passage des rats, cette garde ayant au moins trois pieds de diamètre et étant placée à au moins trois pieds du quai.

49c. Il est illégal pour tout navire venant d'un port quelconque où existe ou est soupçonné d'exister la peste bubonique et entrant dans un havre public au Canada d'être relié à un quai par une passerelle qui n'est pas gardée par quelque personne dans le but d'empêcher les rats de quitter le navire par cette passerelle ; toutes les passerelles seront relevées lorsqu'elles ne seront pas en usage.

Le Ministre de l'Intérieur représente, le 11 décembre 1912, que le 4 février 1907 M. J. P. Lewis a obtenu l'inscription de homestead pour le quart sud-ouest de la section 6, township 59, rang 10, à l'ouest du quatrième méridien.

Le Ministre ajoute qu'il appert que ce colon a abandonné sa femme, Emma J. Lewis, le 20 septembre 1908 et que depuis lors celle-ci a rempli les obligations qu'impose l'inscription de homestead.

Après trois ans de cet abandon l'inscription de M. Lewis fut annulée et l'inscription de homestead pour ce terrain fut accordée à madame Lewis le 18 juin 1912.

Madame Lewis a obtenu des lettres de naturalisation comme sujet britannique.

Madame Lewis demande maintenant ses lettres patentes, mais il appert qu'il n'y a dans la *Loi des terres fédérales* aucune disposition applicable aux cas de ce genre et en vertu de laquelle elle pourrait obtenir ses lettres patentes avant trois ans de la date de l'inscription en son nom.

Par conséquent, le Ministre recommande qu'en vertu des dispositions du paragraphe "K" de l'article 76 de la *Loi des terres fédérales* l'autorisation soit donnée de délivrer immédiatement ces lettres patentes.

Le comité soumet cette recommandation pour approbation.

LE Ministre de l'Intérieur fait rapport, le 14 décembre 1912, que la compagnie dite "The Northern Trading Company, Limited," d'Edmonton, dans la province d'Alberta, a demandé un permis d'occupation d'une partie du lot riverain n° 1, ouest, dans l'établissement d'Athabaska Landing, province d'Alberta ;

Comme c'est l'intention de transporter sur ce terrain certains entrepôts qui ont été construits sur le chemin de la rivière, le Ministre est d'avis que cette demande soit accordée,—

Par conséquent, le Ministre recommande qu'un permis d'occupation pouvant être résilié en tout temps après soixante jours d'avis aux concessionnaires soit accordé à la compagnie dite "The Northern Trading Company, Limited," pour une période de cinq ans, au loyer annuel de \$10, payable d'avance, pour toute cette partie du lot riverain n° 1 ouest, dans l'établissement d'Athabaska Landing, province d'Alberta, située entre la limite sud du terrain mis en réserve par un arrêté en conseil du 28 avril 1898 pour prolonger le chemin longeant la rivière Athabaska à cet endroit et la limite nord du terrain concédé à Colin Johnston par lettres patentes datées le 13 mars 1903, partie qui n'est pas comprise dans les limites d'un chemin arpenté traversant le dit terrain et couvrant approximativement une superficie de cinquante-cinq centièmes d'un acre, plus ou moins, ainsi que colorié en jaune sur le plan ci-annexé.

SON EXCELLENCE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 3 octobre 1911, que le gouvernement de la province d'Alberta a demandé d'acheter au prix de \$1 l'acre, dans le but d'y établir une station de démonstration agricole, les lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 et 13, à l'est d'Athabaska-Landing, soit partie de la subdivision de la section 34, township 66, rang 22, à l'ouest du 4e méridien, couvrant une superficie totale de 483.80 acres, les dits lots étant compris dans le bloc 15 de l'emplacement de ville d'Athabaska-Landing et bordés en rouge sur le plan ci-annexé. Il a été représenté au Ministre que les

autorités provinciales ont décidé d'établir dans la province un certain nombre de ces stations aux endroits qui conviennent le mieux aux cultivateurs, pour démontrer ce qu'un cultivateur d'intelligence commune peut faire avec un capital ordinaire. L'intention est aussi de faire à ces stations de démonstration les expositions d'été, les expositions de graines de semence et les concours d'appréciation du bétail ;

Le Ministre ajoute que le ministère de l'Intérieur peut disposer des terres demandées et qu'il est d'avis qu'il serait de l'intérêt public d'accorder cette demande,—

Par conséquent, le Ministre recommande que les dits lots, couvrant une superficie totale de 483.80 acres, soient vendus au gouvernement de la province d'Alberta au prix de \$1 l'acre.

Le comité soumet cette recommandation pour approbation.

SON ALTESSE ROYALE EN CONSEIL.

LE Ministre de l'Intérieur représente, le 5 novembre 1912, qu'en vertu des dispositions de la Loi d'irrigation l'autorisation a été donnée à MM. John E. Enright et James S. Strong, de East End, Saskatchewan, de faire certains travaux pour le détournement de l'eau de la rivière Frenchman, dans le township 6, rang 22, à l'ouest du 3e méridien, pour des fins d'irrigation, et qu'en vertu d'arrêtés en conseil datés le 5 novembre 1907, le 29 juillet 1909 et le 29 octobre 1910 certaines terres ont été vendues à MM. Enright et Strong pour le dessèchement au moyen de l'irrigation, la superficie totale des terres ainsi vendues étant de 6,158.65 acres, dont 2,868 acres doivent être irrigués.

Le Ministre ajoute que dans les limites du terrain vendu à MM. Enright et Strong pour des fins d'irrigation se trouve une partie du quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, qui avait été jusqu'à récemment réservé à l'usage de la police à cheval du Nord-Ouest à East End, Saskatchewan. Toutefois, à l'exception du quart sud-ouest de la subdivision légale 4 de la dite section 32, ce terrain a été soustrait de la réserve. Le reste de ce quart de section borde le principal canal d'irrigation construit par MM. Enright et Strong, et une étendue considérable peut en être irriguée par le dit canal.

MM. Enright et Strong ont fait une demande d'acheter le quart sud-ouest de la dite section 32, qu'ils veulent inclure dans leur projet d'irrigation.

Par conséquent, le Ministre recommande que le quart sud-ouest de la section 32, township 6, rang 21, à l'ouest du 3e méridien, sauf le quart sud-ouest de la subdivision légale 4 de cette section, soit vendu, conformément aux règlements concernant l'irrigation, à James Carey Strong et Denham Norreys McLean, administrateur de la succession de feu John Edward Enright, au prix de \$3 l'acre, le quart de la somme payable dans les soixante jours qui suivront la date de la vente et le reste, ainsi que l'intérêt au taux de cinq pour cent par année, lors du parachèvement des travaux. Une des conditions de la vente est que les travaux d'irrigation seront parachevés à la satisfaction du Ministre de l'Intérieur avant que les lettres patentes du terrain vendu soient accordées, et que si à la fin du délai accordé pour le parachèvement des travaux d'irrigation les dits travaux ne sont pas terminés le contrat de vente de ces terrains peut être annulé et tout acompte payé ou travaux d'irrigation exécutée peuvent être confisqués par la Couronne.

Le comité soumet cette recommandation pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou

en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- | | |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel..... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée à la Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet

de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, — et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

2. *Une compagnie de télégraphe ou de téléphone* :— Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation ; ou pour obtenir quelques droits ou privilèges exclusifs ; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers :— Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques* :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par ce prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera

établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit".

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelquel effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt ou une compagnie industrielle, sans pouvoirs exclusifs—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

DESPATCHES, Etc.

DEPARTMENT OF EXTERNAL AFFAIRS.

14th January, 1913.

AN enquiry having been addressed, at the instance of the Canadian Government, to the Government of Italy, as to the authority of Italian Consular Officers to receive moneys awarded by Canadian Courts to Italian subjects not resident in Canada, the reply contained in the following despatch has been received to the effect that Italian Consular Officers have such authority to receive articles and money due to Italian subjects not resident in Canada :—

From the Secretary of State for the Colonies to the Governor General.

Reference to previous despatch Governor General, No. 465, 23rd August.

CANADA, No. 874.

DOWNING STREET,
20th December, 1912.

SIR,—I have the honour to transmit to Your Royal Highness, for the information of Your Ministers, the papers noted below on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada.

I have, &c.,

L. HARCOURT.

The Officer administering the Government of
Canada.

No. 39 Consular.

ROME, 9th December, 1912.

SIR,—On receipt of your despatch No. 47 Consular of the 10th September last, on the subject of the payment by the Canadian Courts of compensation and other awards to Italians not resident in Canada, Mr. Dering addressed a note to the Italian Government in the sense of the letter of August 21 from the Canadian Department of External Affairs.

In reply to this note the Italian Minister for Foreign Affairs states that Italian Consular Officers are authorized by the consular regulations to receive from the local authorities, or from the representatives of the person entitled to them, articles and money due to Italian subjects not resident in the country concerned, and that their receipt is valid. The procedure followed is that the money is transmitted by the Consular

officer to the Italian Ministry of Foreign Affairs, which hands it over to the competent judicial authorities (or to the Italian consul abroad as the case may be), who effect the payment and obtain receipts from the parties concerned; such receipts are usually lodged in the archives of the Ministry, but if it is so desired they can be transmitted to the authorities abroad who made the original payment. This latter course is frequently adopted in the case of small inheritances and of compensation for accidents to workmen received in Great Britain and some of her dependencies, e. g. the Union of South Africa, by Italian Consuls for transmission to the heirs in Italy.

It is pointed out that the method of transmission outlined above is an absolutely safe one and that no expense whatsoever is incurred by the persons to whom the money is due. It is admitted that it takes some time and it is suggested that if cheques, made out by the Canadian authorities in favour of the person entitled, were used there might be some saving in this respect; on the other hand the recipients might, if residing in remote country districts, as would usually be the case, find it difficult to get the cheques cashed.

The Minister for Foreign Affairs concludes by stating that his Department will do everything in its power to facilitate the transmission to the heirs of any sums entrusted to Italian Consular Officers by the Canadian authorities.

TREATY

BUDAPEST,

November 25, 1912.

No. 4.

SIR,—Under the section "Passport requirements of Foreign Countries" in the Foreign Office List under the heading Austria-Hungary, I see that it is stated that for purposes of residence in this country a Passport or other document to prove identity is necessary. From the considerable number of persons who attempt to reside in Hungary over the legal period of 14 days without being provided with any proof of their nationality or identity I venture to draw your attention to the power invested in the Hungarian authorities to demand such proof after the interval mentioned. The difficulties which arise are usually in the case of Theatrical artistes from whom the Police Authorities require immediate proof of nationality. These persons rarely possess passports or other papers of identification and it has been usual at this Consulate General to give them a document stating that they have taken an oath as British subjects and that His Majesty's Consul General believes their statement to be true. This paper is marked as being only valid in Hungary. This action has hitherto satisfied the Hungarian authorities. A similar certificate is issued when necessary in the case of governesses, etc., but the latter are always advised to procure their certificates of birth and so enable me to issue passports.

It is, I think, open to question whether this system is a satisfactory one. Not infrequently persons of these

categories present themselves here and it is in some cases, especially in those of coloured persons, almost impossible to be sure whether they are British subjects or not. I venture to suggest that the paragraph in the Foreign Office List should point out that it is most desirable for theatrical artistes visiting Hungary to hold passports and that any British Subject resident for more than 14 days in Hungary may be and usually is summoned by the Authorities to produce proof of nationality and identity. Such a paragraph might save British Subjects coming to this country much trouble and anxiety.

There is a further question which I venture to think requires attention. According to Hungarian Law persons naturalised in Foreign Countries do not lose their Hungarian nationality by such a step. The Law prescribes that persons residing abroad uninterruptedly for more than ten years lose their Hungarian nationality unless they take certain action to preserve such nationality. The ten years count from the day they leave Hungary or if provided with passports from the day on which those documents cease to be valid.

According to General Instructions to His Majesty's Consular Officers in the event of an application being made to a Consular Officer for a passport by a British Subject who is still also a subject or citizen of the State in which such officer exercises Consular jurisdiction the application is to be refused and the applicant instructed to obtain a passport from the Authorities of that State.

Now according to the Concessions granted by the Hungarian Government to British and other Shipping Companies the latter are precluded from issuing passages from Hungary unless a passport is produced. This also applies to passages from Hamburg and other European ports, when issued by Companies having Agencies in Hungary. It happens that Hungarians naturalised in Canada not infrequently visit their country of origin before the 10 years of absence are passed which free them from their Hungarian nationality. His Majesty's Consulate General in these cases is not permitted to issue passports to such persons and the result is that till they can obtain a Hungarian passport they may be exposed to great annoyance and loss of time and money. The above persons are often simple farmers who have no knowledge whatsoever of the passport regulations in force in Hungary, and imagine that their certificate of naturalization will free them from military service and other difficulties, which is not the case. Further, sometimes they are detained to fulfil their military service, and in others, even if they are themselves exempted, their sons are obliged to remain behind or deposit caution money for their subsequent enrolment as recruits. It seems clear that if they understood, as stated in their Certificates of Naturalization, that they could not be protected by this Consulate General and the trouble to which a visit to Hungary might expose them, they would probably not undertake the journey from Canada, or other British Colony. I am not aware whether the state of things I have described is known to the Canadian and other Dominion Governments, and I venture to suggest that, if this is not the case, steps should be taken to bring the matter to their notice.

It is hardly necessary to say that the remarks I have made apply to Hungary only, and not to Austria. The ordinary British Subject is firmly under the impression that Austria and Hungary are synonymous terms.

I have, etc.,

(Signed) EVELYN GRANT DUFF.

ORDERS IN COUNCIL.

[1895]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 3rd day of October, 1911.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Minister of the Interior states under date 3rd August, 1911, that authority has been granted under the provisions of The Irrigation Act to the Southern Alberta Land Company, Limited, to construct a system of irrigation works taking water from Bow river at a point on the southeast quarter of Section thirty-one, Township twenty-one, Range twenty-five, west of the Fourth Meridian, and that, pursuant to such authority, the said company has surveyed and partly constructed a canal from the said point of intake to and across the tract of land to be irrigated ;

The Minister observes that by authority vested in him by section 54 of The Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches, such right of way to include, in addition to the width of the canal or ditch, a marginal strip not exceeding twenty feet on one side and ten feet on the other side of the said canal or ditch, to give access to the same for purposes of operation and repairs ; provision having also been made in the said regulations for granting a greater width, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system ;

Owing to the size of the canal now under construction by the aforesaid company, to the depth of the excavation at certain points and to the height of the fill at other points, it has been found necessary in some cases to allow a greater area to be included in the right of way in order to permit of the disposal of the excavated material and to afford adequate facilities for the maintenance of the works ;

All of the lands to which reference is hereinafter made are held under homestead or pre-emption entry and the entrants have in each case executed easements in favour of the Southern Alberta Land Company, Limited, granting right of way of the canal over the lands, the said easements being now registered in the Department of the Interior,—

The Minister, therefore, recommends that authority be given for granting free right of way, by license of occupation, to the Southern Alberta Land Company, Limited, for its works, through, over and upon the lands hereinafter described, not exceeding the area mentioned in each case and as shown on the plan of the said works filed in the office of the Commissioner of Irrigation and in the Department of the Interior and registered in the office of the Registrar of Land Titles at Calgary, in the province of Alberta, as Irr. 158, such grant to remain in effect for so long as the works herein referred to are used for irrigation purposes, viz :—

1. The southwest quarter of Section thirty, Township thirteen, Range seventeen, west of the Fourth Meridian, comprising twenty and two one-hundredths acres (20.02) more or less.

2. The northeast quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising eleven and thirty-one one-hundredths acres (11.31) more or less.

3. The southwest quarter of Section seventeen, Township fourteen, Range nineteen, west of the Fourth Meridian, comprising eleven and twenty one-hundredths acres (11.20) more or less.

4. The southwest quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14.31) more or less.

5. The northeast quarter of Section twenty-four, Township fourteen, Range twenty, west of the Fourth Meridian, comprising eleven and ten one-hundredths acres (11.10) more or less.

6. The southeast quarter of Section twenty-three, Township thirteen, Range eighteen, west of the Fourth

Meridian, comprising twenty-one and thirty-five one-hundredths acres (21.35) more or less.

7. The northwest quarter of Section twenty-eight, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising thirteen and sixty-seven one-hundredths acres (13.67) more or less.

8. The southeast quarter of Section thirty-one, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising fourteen and thirty-one one-hundredths acres (14.31) more or less.

9. The southwest quarter of Section thirty-two, Township thirteen, Range eighteen, west of the Fourth Meridian, comprising ten and thirty-eight one-hundredths acres (10.38) more or less.

10. The southwest quarter of Section nine, Township fourteen, Range nineteen, west of the Fourth Meridian, comprising twelve and twenty one-hundredths acres (12.21) more or less.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS a certified copy of an Order of the Lieutenant-Governor of Manitoba in Council, numbered 19749 and dated the 25th of October, 1912, has been filed in the Department of the Interior, requesting the Government of the Dominion of Canada to reserve the land required for a public highway through the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian ;

And whereas under section 13 of chapter 99 of the Revised Statutes of Canada, the Lieutenants-Governor of Manitoba in Council may, with the consent of the Governor in Council, where it is deemed advisable to do so for the purpose of settlement and colonization, direct roads to be opened through any unpatented lands, whether occupied or not, and whether such lands have been homesteaded, pre-empted, set apart or reserved for the benefit or use of any person, and the Governor in Council may thereafter on the report of the Minister of the Interior transfer such roads to the Crown in the right of the Province ;

And whereas the south-east quarter of Section 30, Township 23, Range 4, east of the Principal Meridian, in the province of Manitoba, is unpatented,—

Therefore the Governor General in Council is hereby pleased to authorize the Minister of the Interior to reserve therefrom the land comprised in the public highway as shown on the plan and described in By-law 35 of the Rural Municipality of Bifrost, passed on the twelfth day of October, 1910, which accompanied the copy of the Order of the Lieutenant-Governor of Manitoba in Council hereinbefore referred to, that is to say, a parcel of land described as follows :—

Beginning at the south-west corner of the said quarter section, thence northerly along the westerly boundary of the said quarter section a distance of 40 chains more or less to the north-west corner of the said quarter section ; thence easterly along the northerly boundary of the said quarter section a distance of one chain ; thence southerly and parallel to the said westerly boundary a distance of 40 chains more or less to the intersection with the southerly boundary of the said quarter section ; thence westerly along the said southerly boundary a distance of one chain more or less to the place of beginning, the said parcel containing an area of four acres more or less.

The Governor General in Council, in accordance with the provisions of section 13 of chapter 99 of the Revised Statutes of Canada, 1906, and on the report of the Minister of the Interior, is further pleased to order that the said public road or highway, as above described, be transferred to the Crown in the right of the Province of Manitoba.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.
Thursday, the 16th day of January, 1913.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date the 7th January, 1913, that Mr. H. T. Holness located on certain unsurveyed land on the north side of the north branch of Sheep Creek, in the Rocky Mountains Forest Reserve, in the Province of Alberta, prior to the reservation being established, with the expectation that the lands would be finally surveyed and thrown open for homestead entry, and that he would obtain entry for a quarter section. Mr. Holness represents that he was given assurance from officers of the Department of the Interior that entry would be granted him so soon as the land was surveyed; that he has made improvements upon the said lands, consisting of a house, stable, fencing and breaking; that he has resided upon the land since 1907, and, if the reservation had not been established, would now be entitled to letters patent for the land as a homestead.

The Minister further states that, as the land upon which Mr. Holness is located may be of considerable value for water storage purposes, it is not considered advisable that it should be alienated from the Crown, and negotiations were therefore entered into with Mr. Holness to ascertain upon what conditions he would be prepared to surrender any rights that he might have acquired to the land; that Mr. Holness has agreed to execute a surrender of his rights to the land in question on payment of \$1,600, being \$10 per acre, and upon his being permitted to make homestead entry for a quarter-section of available Dominion Lands elsewhere, and obtaining letters patent therefor without being required to undertake any further homestead duties.

The Minister recommends that this arrangement be approved, and that he be authorized to pay the sum of \$1,600 to Mr. H. T. Holness from the vote for the protection of timber in Manitoba, Saskatchewan, Alberta, &c., and to grant him letters patent for a quarter-section of available Dominion Lands, upon his executing a surrender of any rights he may have to the land upon which he located.

The Committee submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of December, 1912.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR
GENERAL IN COUNCIL.

THE Minister of the Interior submits, under date 5th November, 1912, that authority has been given, under the provisions of The Irrigation Act, to Messrs. John E. Enright and James C. Strong, of East End, Saskatchewan, to construct certain works for the diversion of water from Frenchman River, in Township 6, Range 22, west of the 3rd Meridian, for irrigation purposes, and that, by authority of Orders in Council dated 5th November, 1907, 29th July, 1909, and 29th October, 1910, certain lands were sold to Messrs. Enright and Strong for reclamation by means of irrigation, the total area so sold being 6,158.65 acres, of which 2,868 acres are to be irrigated.

The Minister further submits that, within the tract sold to Messrs. Enright and Strong for irrigation purposes, there lies a portion of the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, which, until recently, has been reserved for the use of the Royal North West Mounted Police at East End, Saskatchewan. This reservation has, however, now been cancelled, with the exception of the southwest quarter of legal subdivision 4 of the said Section 32. The remainder of this quarter section lies along the course of one of the main irrigation ditches constructed by Messrs. Enright and Strong, and a considerable proportion thereof can easily be irrigated from the said ditch.

That an application has been received from Messrs. Enright and Strong to purchase the southwest quarter of the said Section 32, for inclusion in their irrigation project.

The Minister, therefore, recommends that the southwest quarter of Section 32, Township 6, Range 21, west of the 3rd Meridian, excepting the southwest quarter of legal subdivision 4 thereof, be sold to James Carey Strong and Denham Norreys McLean, administrator of the estate of the late John Edward Enright, under the irrigation system, at the rate of \$3.00 per acre, one-fourth of which sum shall be paid within sixty days from the date of the sale and the remainder, together with interest at the rate of five per cent per annum, shall become due and payable upon the completion of the irrigation works. It shall be a condition of the sale that the irrigation works shall be completed to the satisfaction of the Minister of the Interior before letters patent are issued for the land sold, and that, if at the end of the period which may be granted for the construction of the irrigation works, such works have not been completed, the agreement to sell the lands may be cancelled and any amount paid on account thereof, or works constructed in connection with such irrigation system on the said land, may be forfeited to the Crown.

The Committee submit the same for approval.

THE Minister of the Interior submits, under date 3rd October, 1911, that an application has been made by the Government of the Province of Alberta for the purchase, at \$1.00 an acre, for the purpose of establishing thereon a demonstration farm, lots 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13, east of Athabasca Landing, being part of the subdivision of Section 34, Township 66, Range 22, west of the fourth meridian, containing an aggregate area of 483.80 acres, which lots are comprised in Block 15, in the Townsite of Athabasca Landing, and are shown bordered pink upon the plan attached thereto. It has been represented to the Minister that the Provincial authorities have adopted a policy of establishing a number of these farms at points most convenient to the farmers throughout the Province as a demonstration of what a reasonably intelligent farmer could do with ordinary capital. At

THE Minister of the Interior, under date 14th December, 1912, reports that application has been made by The Northern Trading Company, Limited, of Edmonton, in the Province of Alberta, for a license of occupation of a portion of River lot 1 west, at Athabasca Landing Settlement, in the said Province of Alberta.

The Minister is of the opinion that, as it is proposed to move to the land applied for certain storehouses which have been constructed on the river road, the application should be granted.

The Minister, therefore, recommends that a license of occupation be issued in favour of The Northern Trading Company, Limited, for a period of five years at an annual rental of \$10, payable in advance and terminable at any time, upon sixty days' notice being given the licensees, for all that portion of River lot 1 West, at Athabasca Landing Settlement, in the Province of Alberta, which lies between the southern limit of the land set apart by Order in Council of 28th April, 1898, as an extension to the road along the Athabasca River at this point and the northern limit of the land granted to Colin Johnston by letters patent, dated 13th March, 1903, and which is not included within the limits of a surveyed trail crossing the said parcel, and containing an approximate area of fifty-five hundredths of an acre, more or less, and as shown coloured yellow on the sketch, hereto attached.

The Committee submit the same for approval.
